

University Grants Commission

Ref. No. ५४९

Date: 03 January, 2021

The Campus Chief
Kanya Campus,
Pokhara, Kaski, Nepal

Subject: QAA Cycle Completion.

It is immense pleasure to inform you that the meeting of Higher Education QAA Council held on 31 December, 2020 has acknowledged the completion of QAA Cycle of the Campus based on the Peer Review Team's assessment report, a part of which has already been shared with you during the Peer Review of the Campus. You are aware the report is based on thorough review of the Self Study Report submitted by the institution, virtual observation of the infrastructure and facilities of the Campus, inspection of the related documents, and series of online interactions with the Campus Management Committee, Campus Administration, Academic Leaders, Faculties, Students, and Administrative Personnel, as well as other concerned stakeholders. Based on the report, the meeting of the Council has pointed out that the Campus needs to complete the tasks that are possible to be accomplished within three month as recommended by the PRT (in the Peer Review Report) and the HEQAAC (attached herewith).

Please submit the response report of the completed activities along with a comprehensive plan of action to address/implement all the remaining recommendations suggested by the PRT and/or HEQAAC within a year (i.e., December 2021).

Congratulations for completing the QAA Cycle and best wishes for the Quality Assurance and Accreditation award.

S.C.D.f

Subas Chandra Dhungel
Chief Administrative Officer

CC: (i) Chairperson, Campus Management Committee, Kanya Campus, Pokhara, Kaski, Nepal
